Bonnie Bunny likes to share things with her friends. No wonder everyone loves Bonnie!

Maximillian Mouse is full of energy. He works hard - and he always plays hard, too.

They have a wonderful time at the playground. -
Let's see how they have built it.

"First we'll plant a tree in the corner", says Max, "and perhaps it will grow nuts which we can eat."

1.

"I honestly don't think it will", says Bonnie, "it's an apple tree! But look, what nice fences I've found"

"They go well with the bench", Max says,
"will you help me with the swing - it needs to be pressed down firmly."

2.

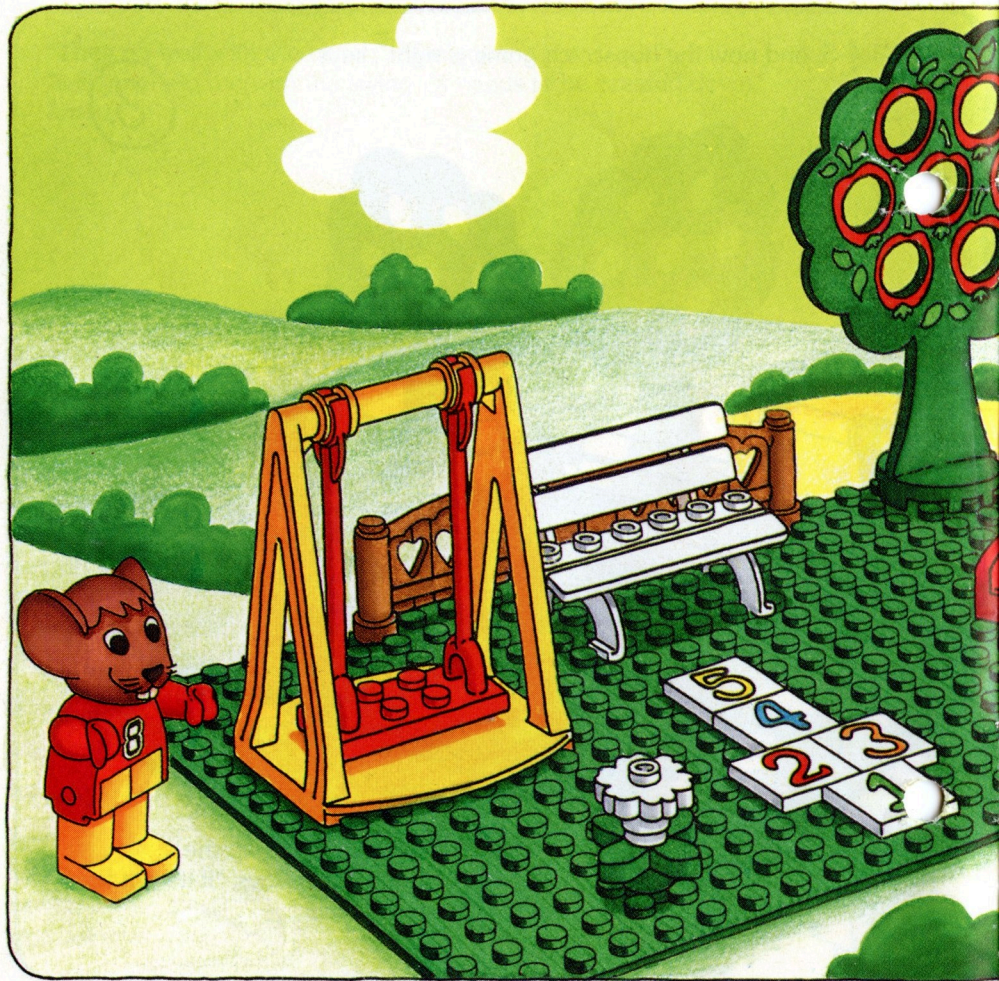

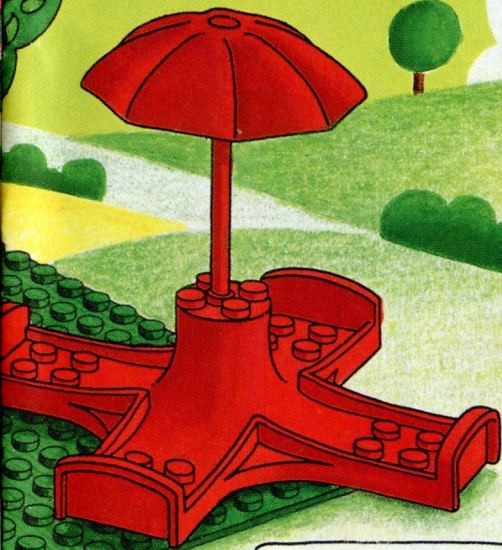

"1-2-3-4-5, and now the hopscotch game is right", says Bonnie.

3.

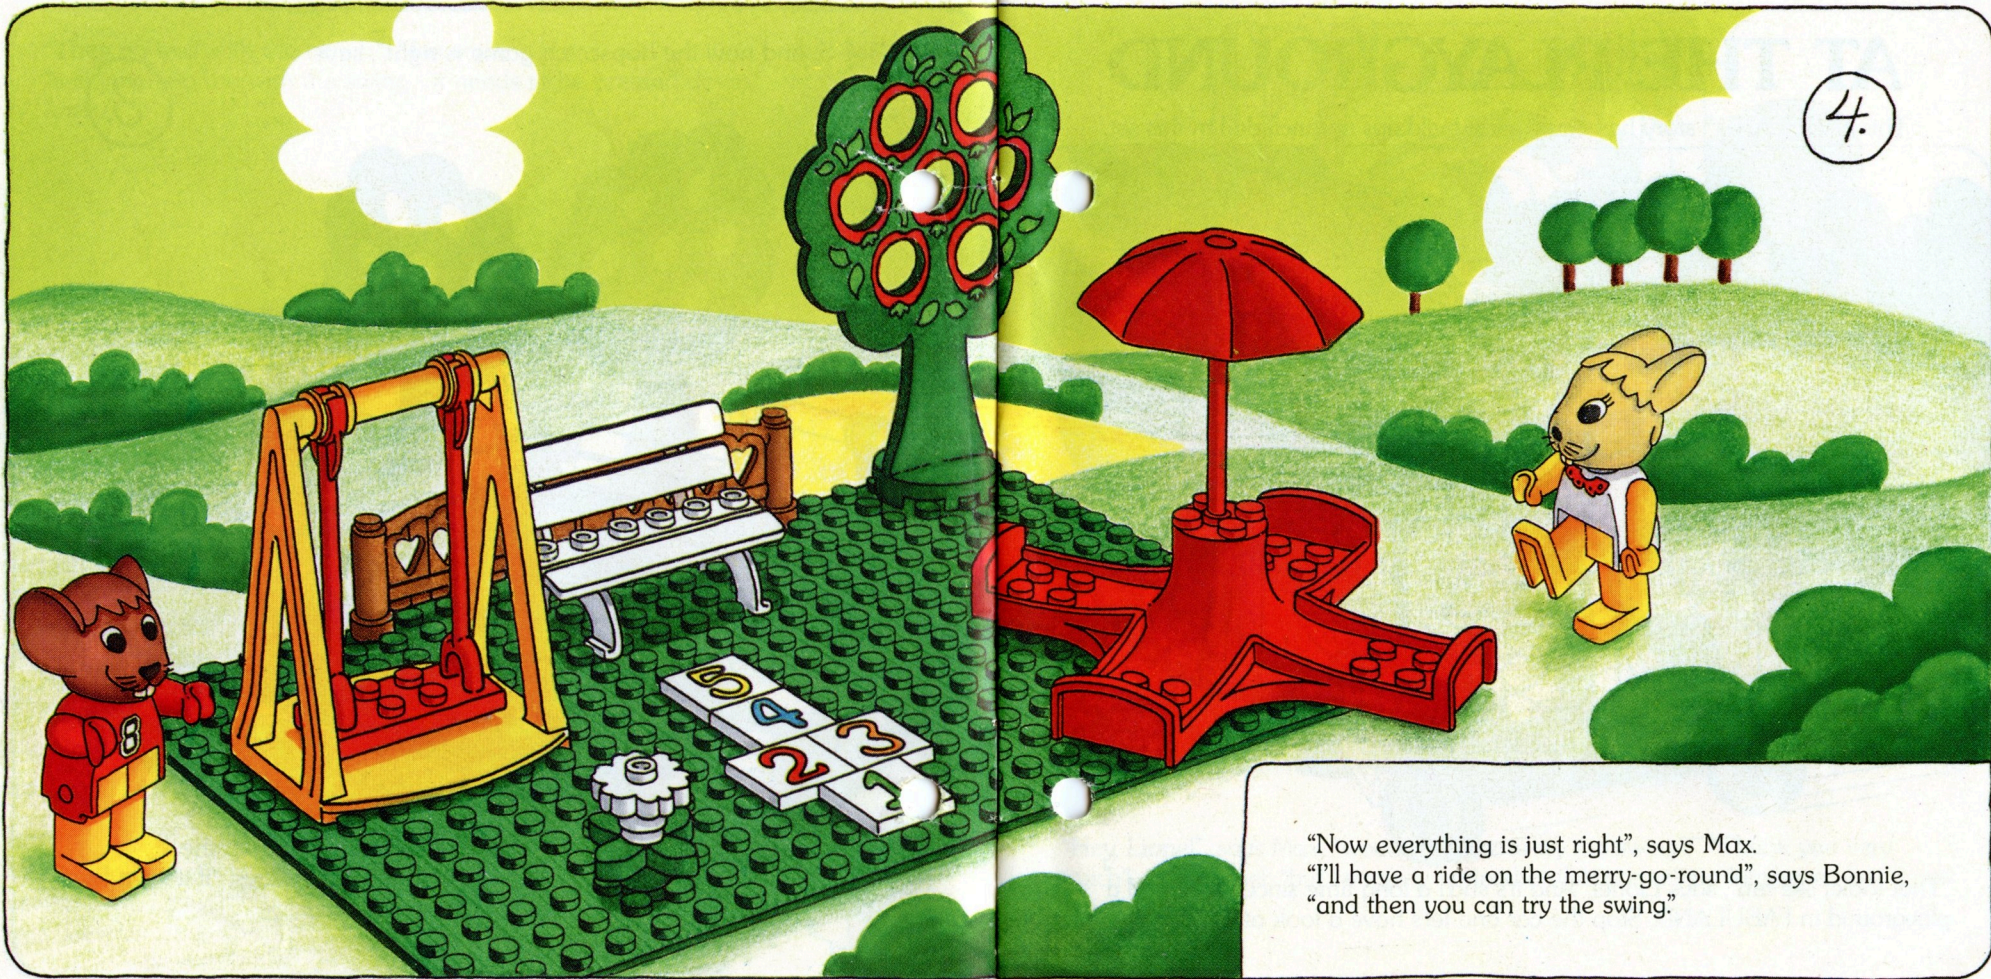

"Come now, help me put up the merry-go-round", Max says, "if it's not level it won't turn properly"

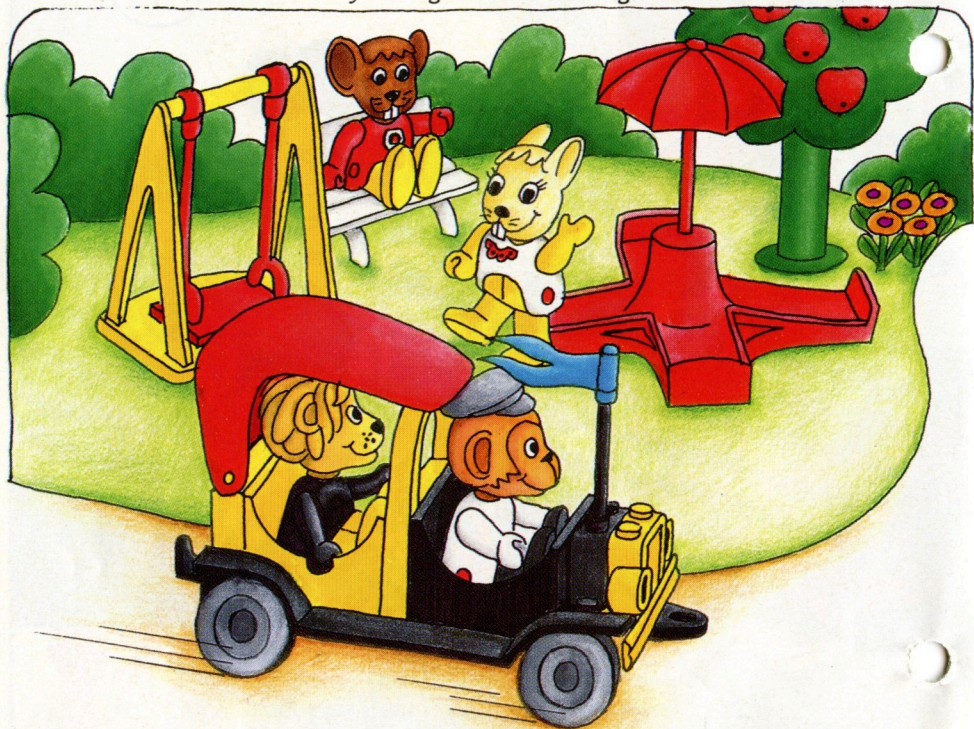

"Now everything is just right", says Max.
"I'll have a ride on the merry-go-round", says Bonnie,
"and then you can try the swing."

"Now everything is just right", says Max.
"I'll have a ride on the merry-go-round", says Bonnie,
"and then you can try the swing."

AT THE PLAYGROUND

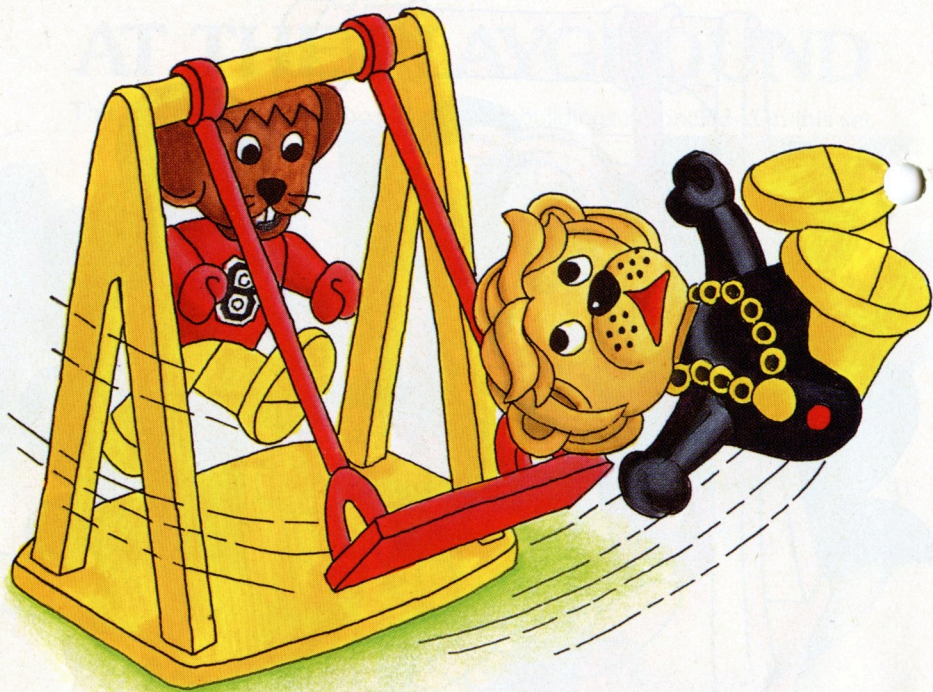

This FABULAND® story has figures and buildings not included in this set.

"That looks like fun", says Lionel, "And it's such a long time since we've had a playground in FABULAND. Stop the car and let's have a look at it"

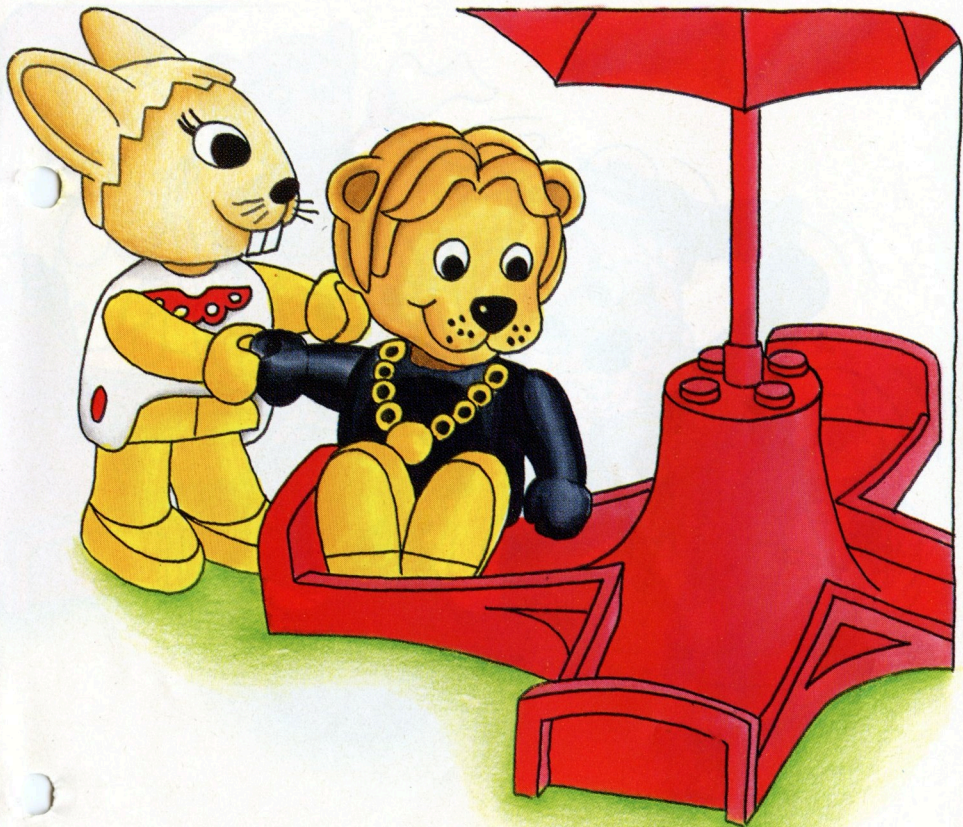

"Hey, Lionel", says Max, "would you like to try the swing?" "Thank you very much", says Lionel, "but I vaguely remember that something happened last time I tried the swing."

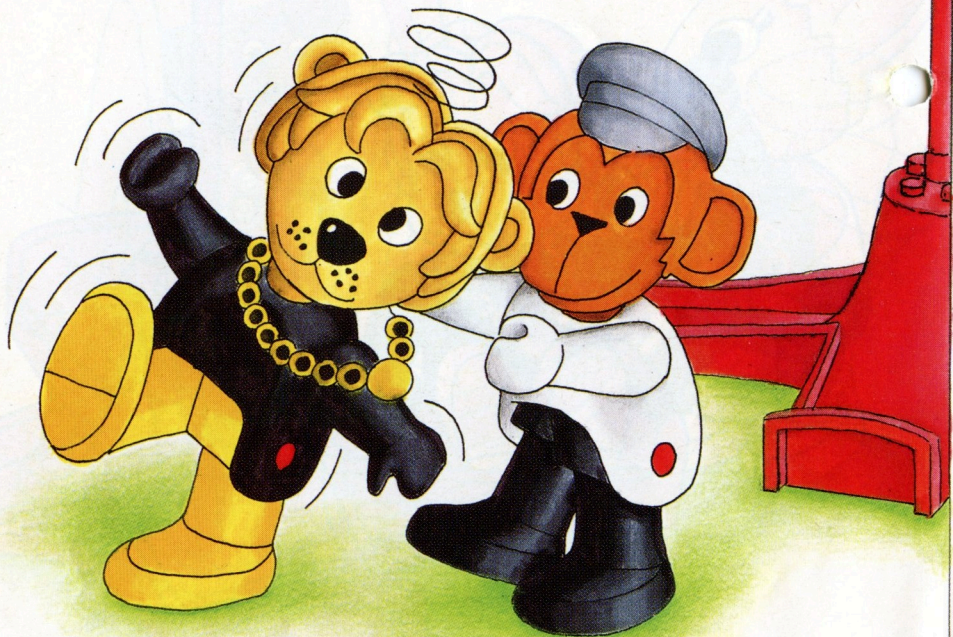

Lionel swings wildly and he falls off.

"Oh yes, now I remember", says Lionel,
"that's what happened last time I tried the swing."

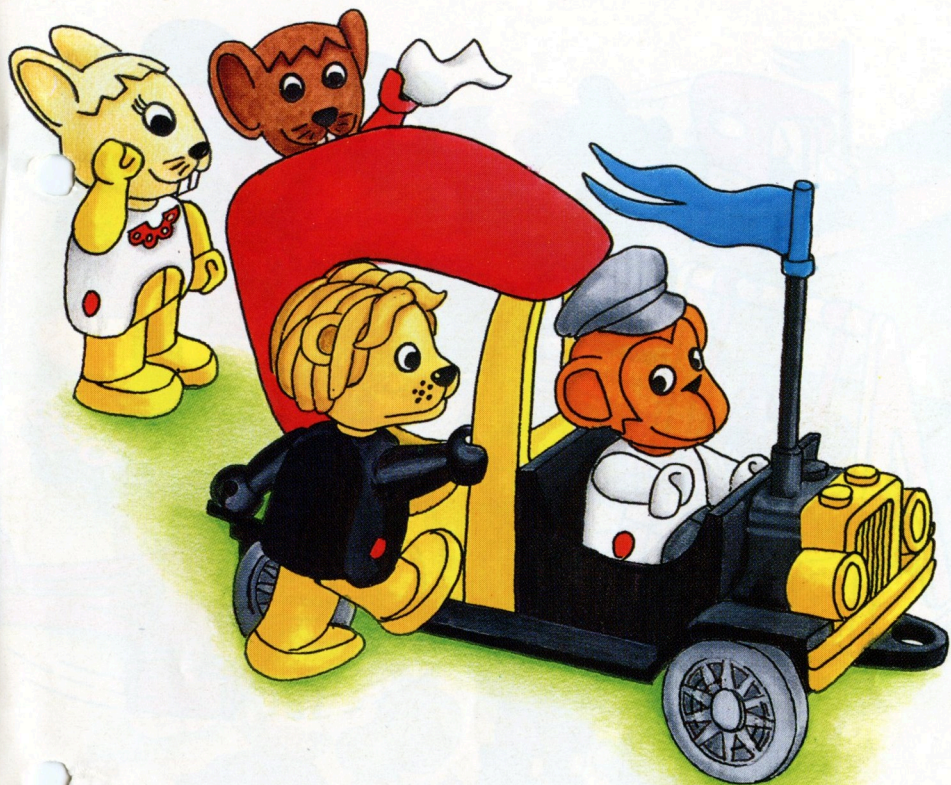

"You had better try the merry-go-round", says Bonnie.

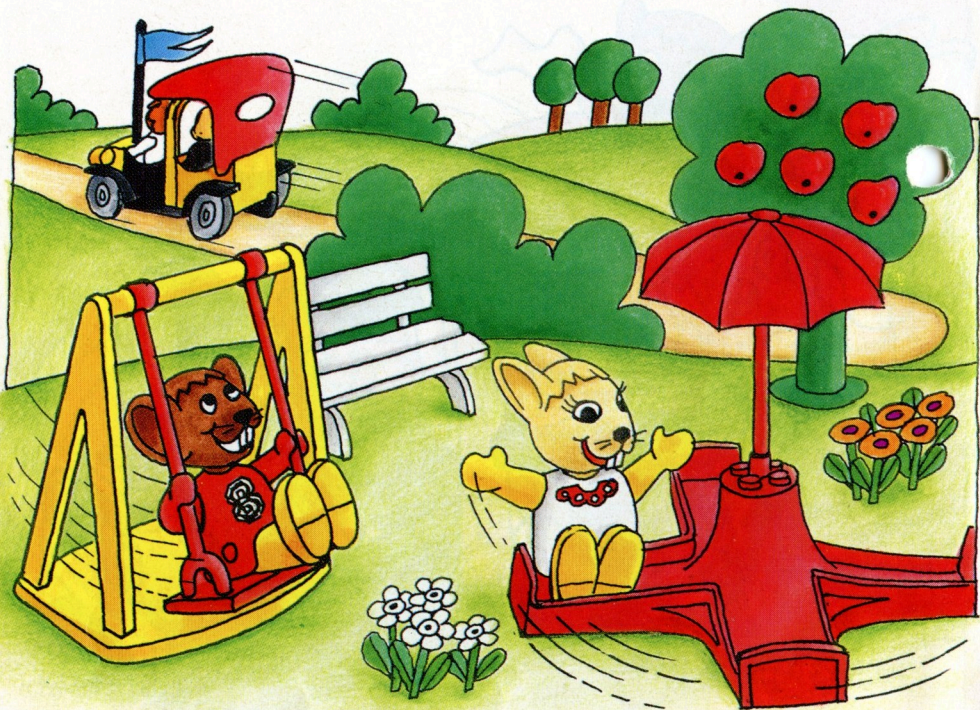

"I think something happened last time I had a ride on the merry-go-round too!"

“Oh dear, oh dear”, Lionel sighs, “now I’m all dizzy, and that’s what happened last time I had a ride on the merry-go-round. I remember it very clearly now.”
Mike helps him to the car.

"Come on, Mike, we're busy", Lionel shouts, "and we have no time for tomfoolery. Now, take care of yourselves, Max and Bonnie. You know, a playground can be very dangerous."

"That all depends on who you are and how you play", says Bonnie, and they both laugh so much they almost tumble down.
