Bertie Bulldog is the Police Chief. He is very tough. He believes in law and order. If you're bad - watch out!

Ricky Raccoon is the town troublemaker. He takes things when no one is looking. It's hard to keep Ricky in jail, so double-lock the door!

Barty Bulldog is the Fire Chief. He is Bertie's twin brother. Both Bulldog brothers are very brave. Barty will go into a blazing fire to save you.

Bertie and Barty are building a new Fire Station right in the middle of FABULAND.

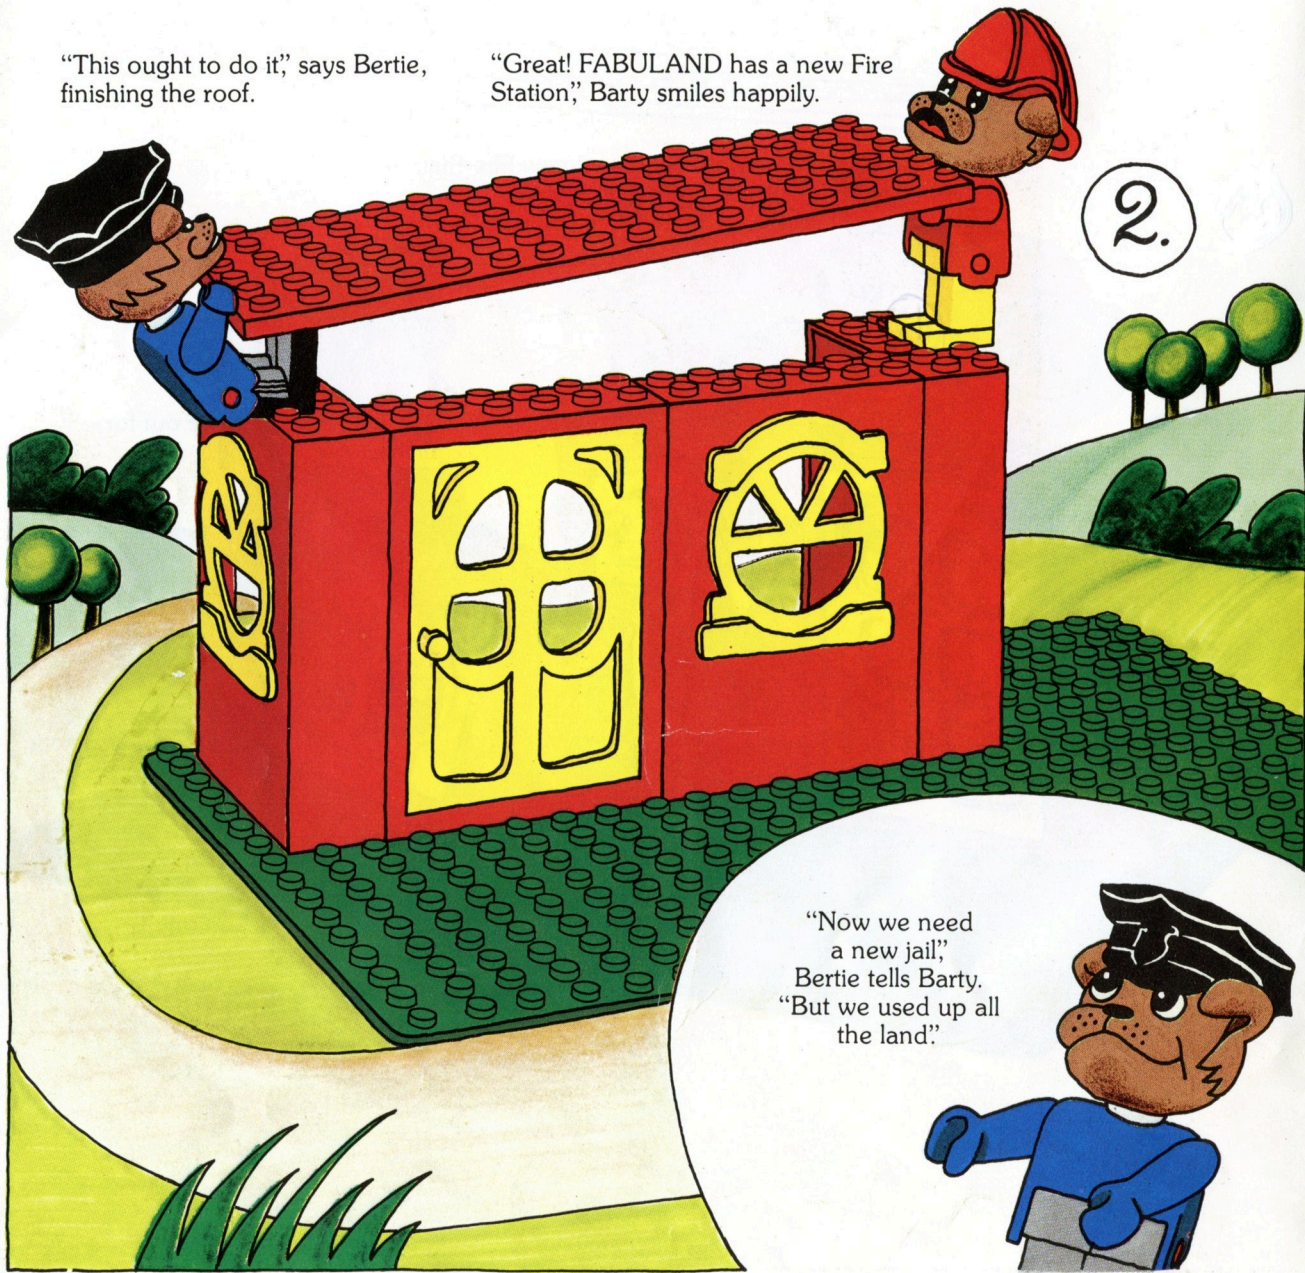

1.

"Let's put the window in front," suggests Barty.
"So I can keep an eye out for fires."

"This ought to do it," says Bertie, finishing the roof.

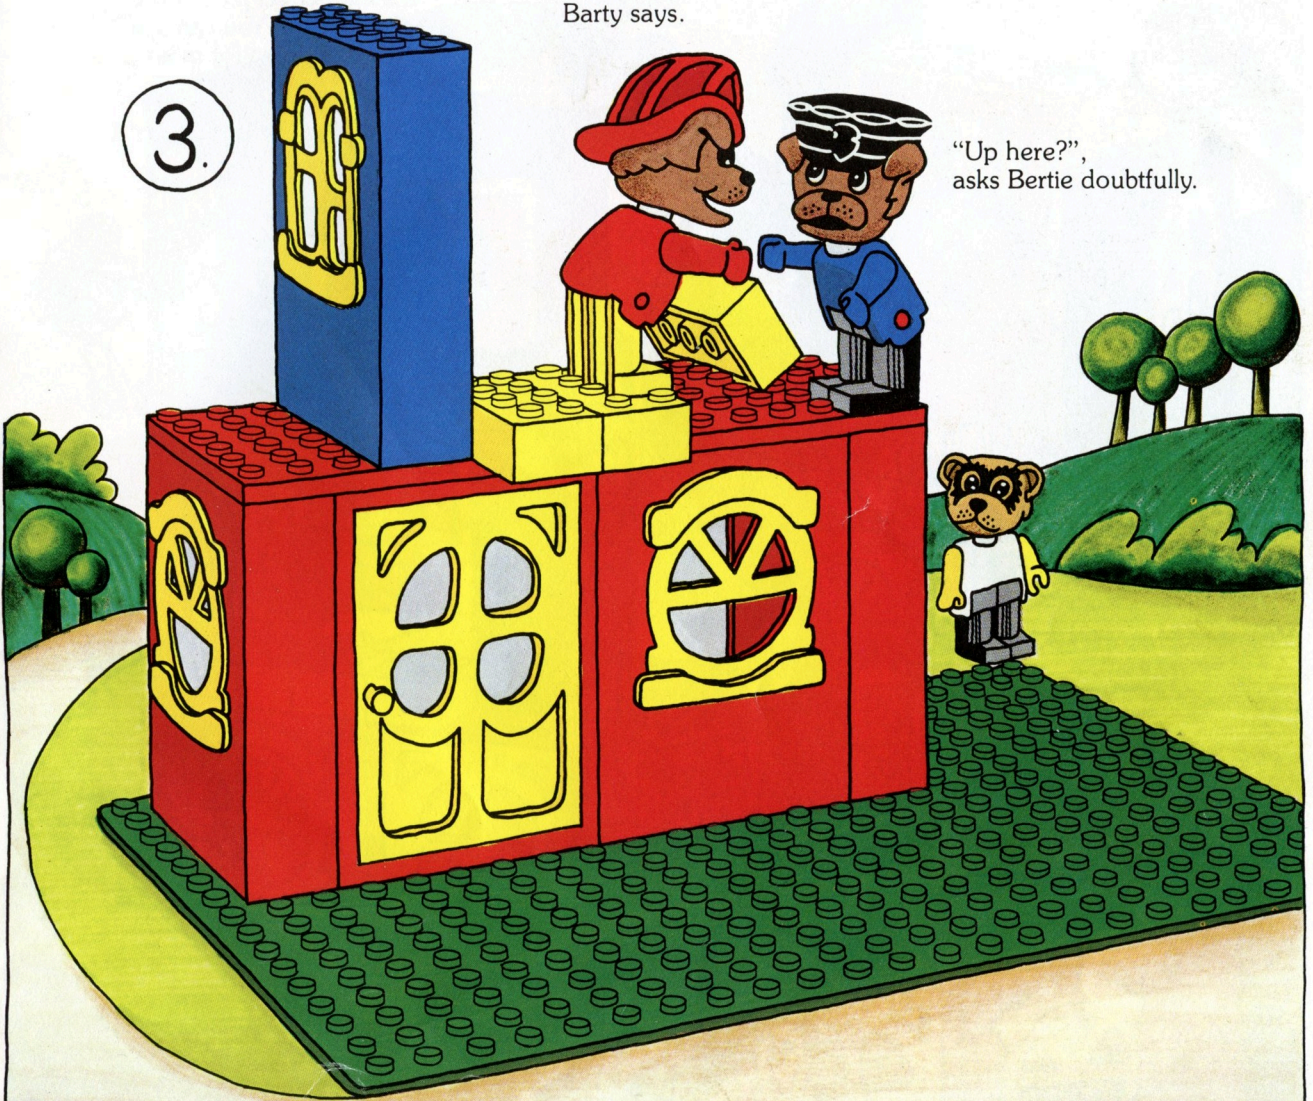

"Great! FABULAND has a new Fire Station," Barty smiles happily.

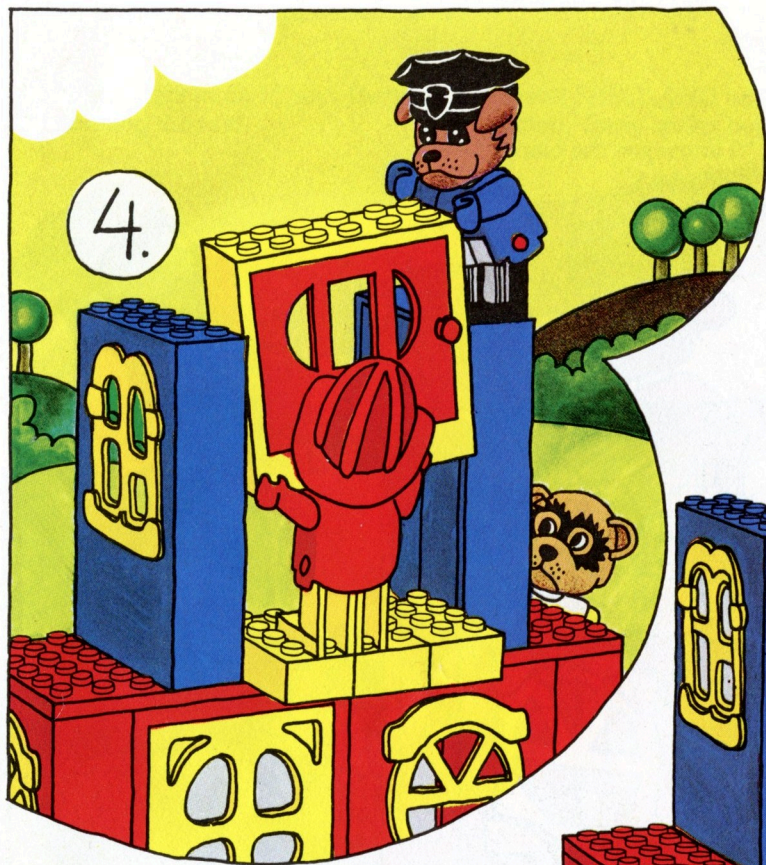

"I know just the place,"
Barty says.

3.

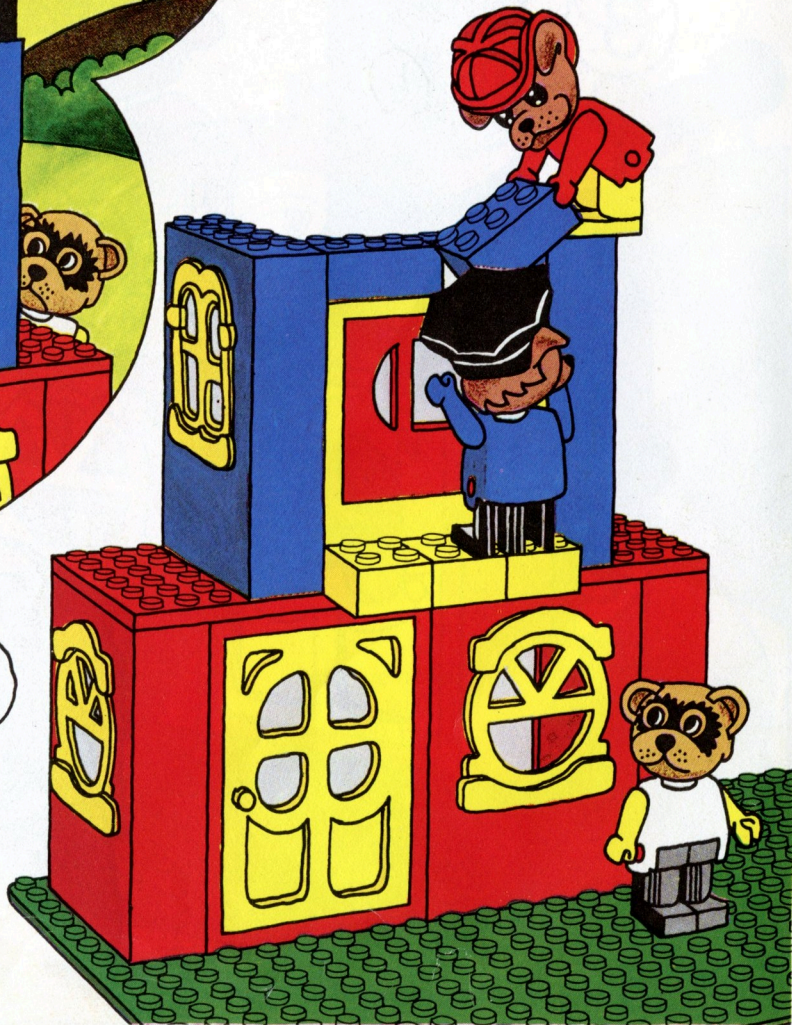

"Up here?,"
asks Bertie doubtfully.

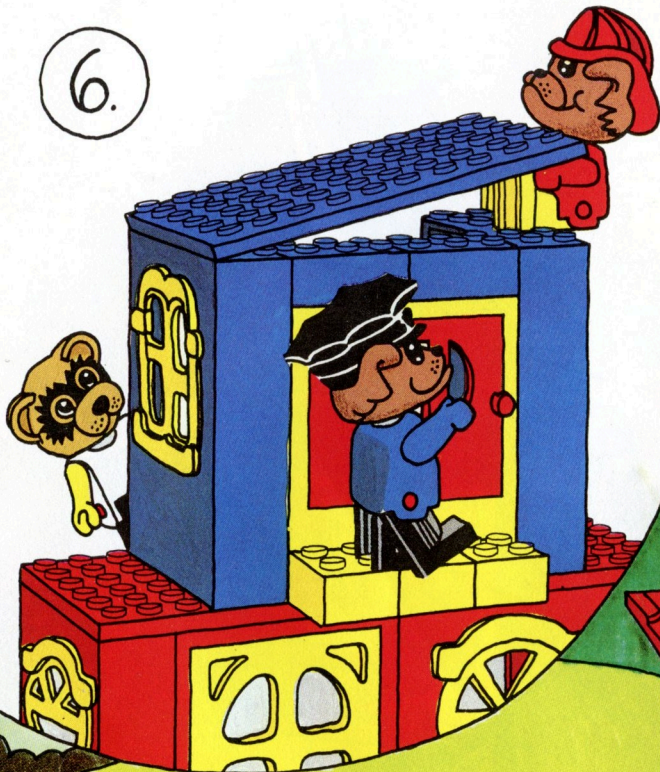

"It's the perfect place for a police station. You can see what's going on for miles around," says Barty.

5.

6.

7.

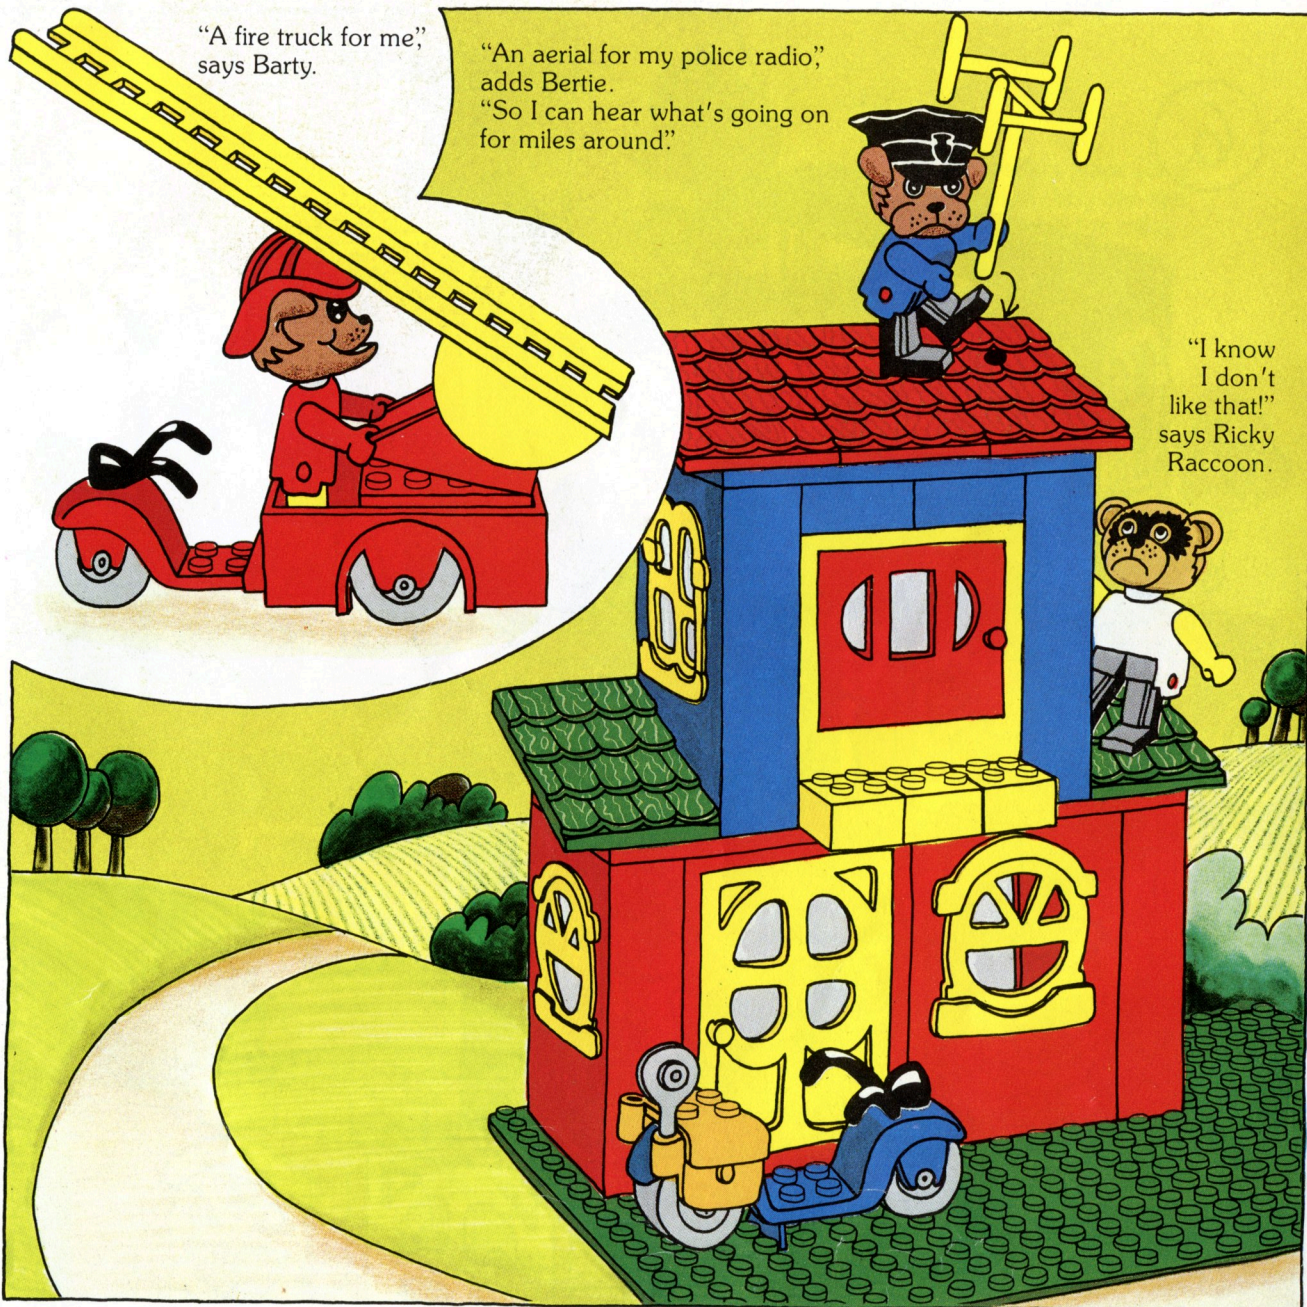

"Hmmm ... I don't think I like that," mutters Ricky Raccoon.

"A fire truck for me,"
says Barty.

"An aerial for my police radio,"
adds Bertie.
"So I can hear what's going on
for miles around!"

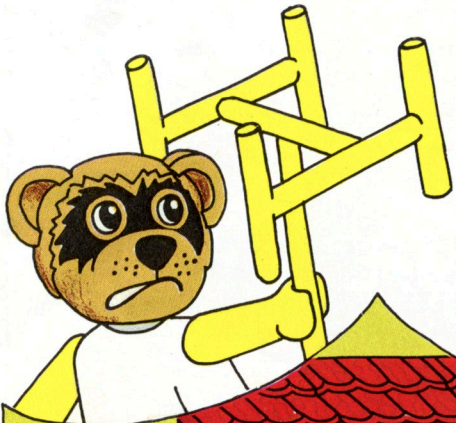

"I know
I don't
like that!"
says Ricky
Raccoon.

"I don't want Chief Bertie knowing everything that goes on in FABULAND!" says Ricky, grabbing the aerial.

Chief Bertie doesn't see a thing. He's busy trying out his new camera.

FLASH! Ricky Raccoon!?
Chief Bertie looks up in
amazement and sees Ricky
stealing the aerial.

“Got you!” barks Bertie Bulldog.

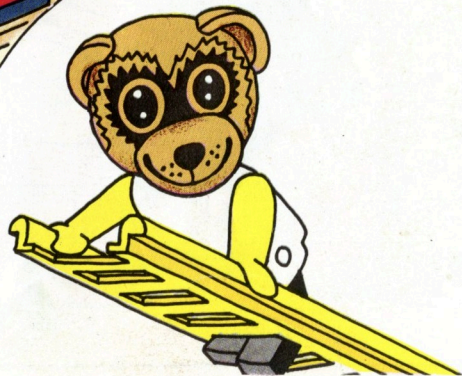

“Yipes! Jail!” groans Ricky.

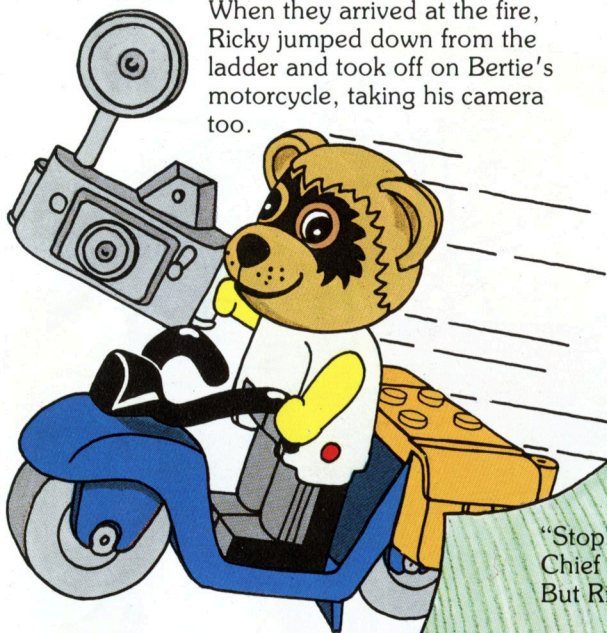

CLANG! CLANG!
It's a two-alarm fire.
Both Bulldog brothers are needed.

"We may need extra man-
power, so I'll bring Ricky
with us," says
Bertie.

Uh - Oh! There goes
Ricky. He's escaped
from the jail and
climbed right up the
ladder!

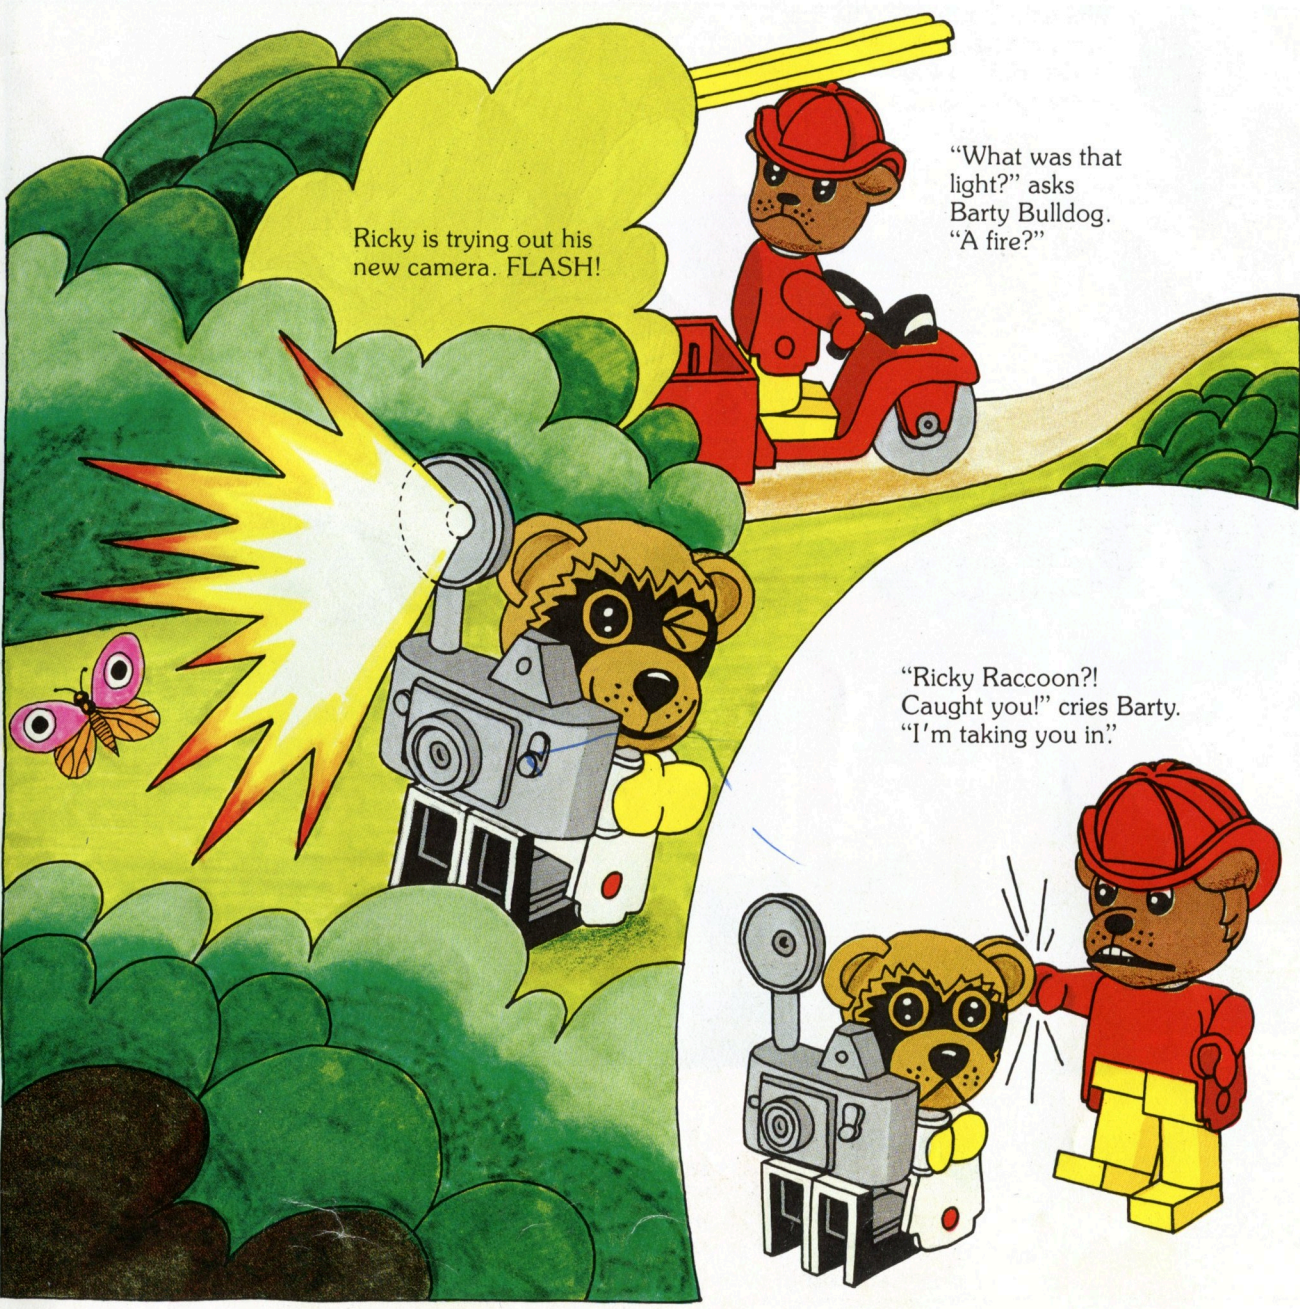

When they arrived at the fire,
Ricky jumped down from the
ladder and took off on Bertie's
motorcycle, taking his camera
too.

"Stop!" calls out
Chief Bertie.
But Ricky is gone.

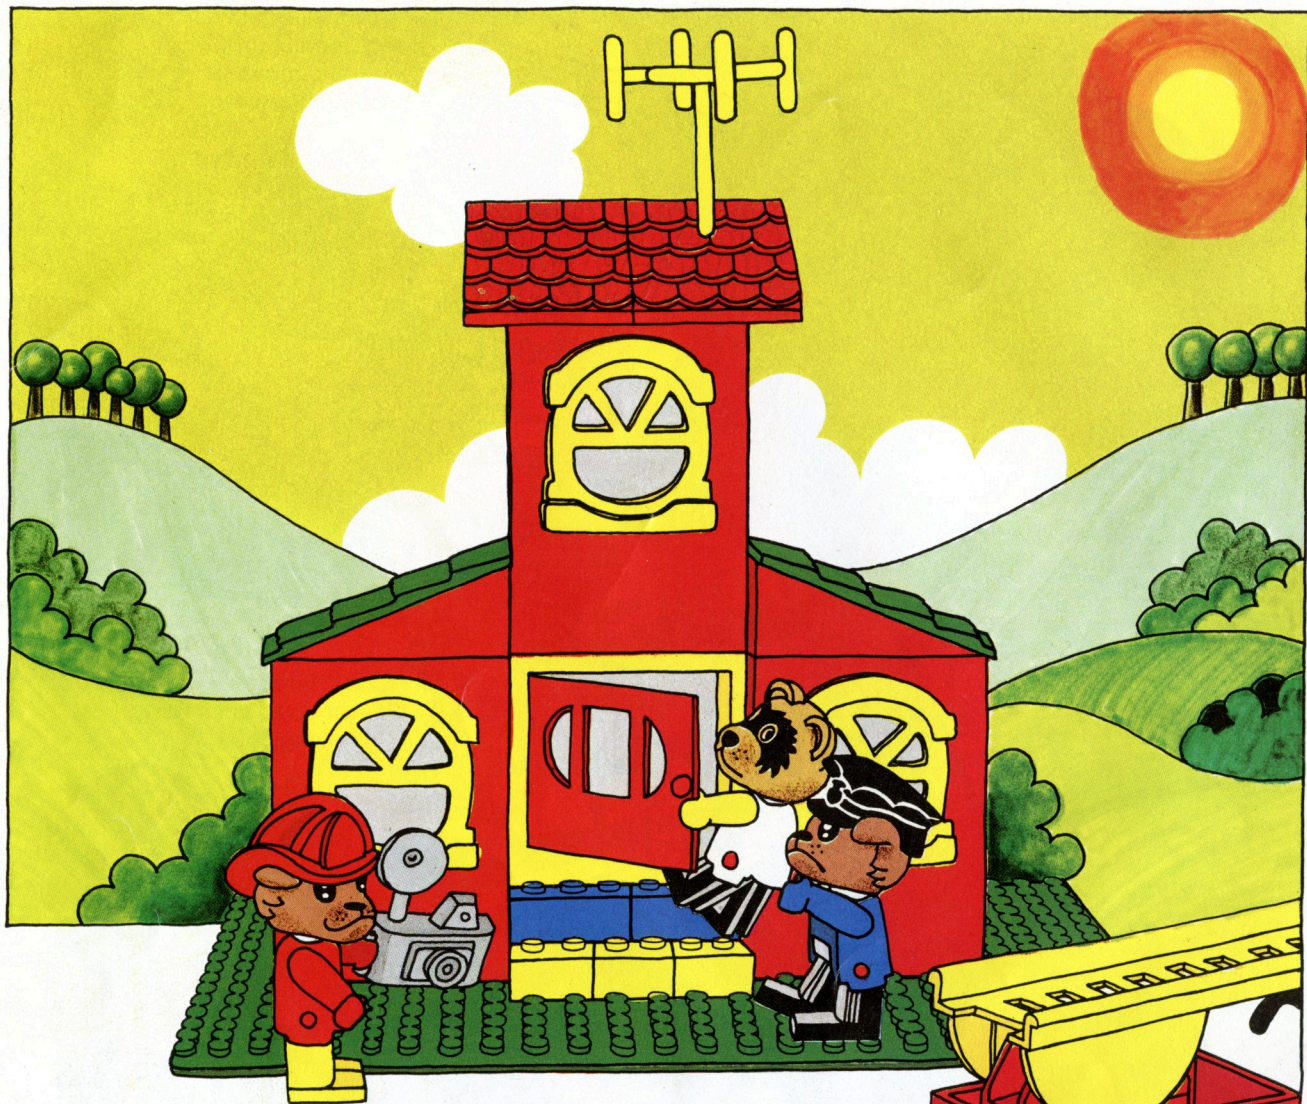

Ricky is trying out his new camera. FLASH!

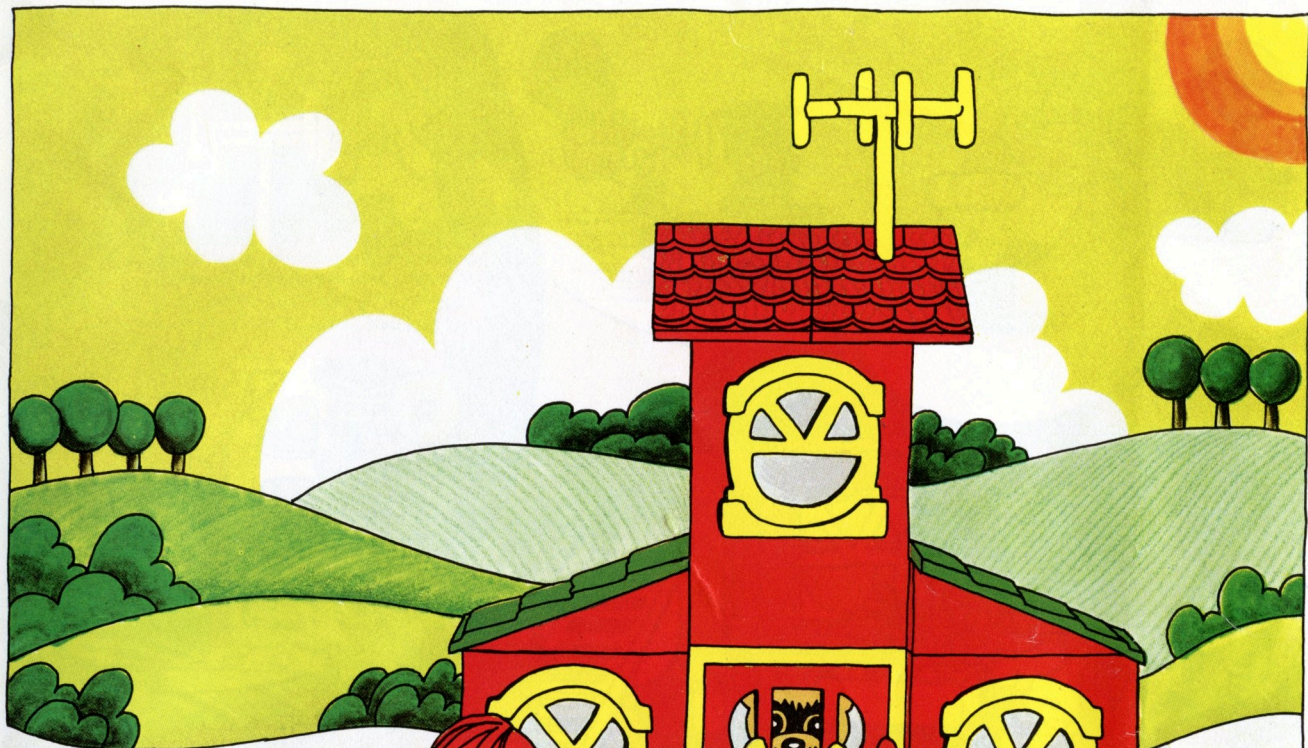

"What was that light?" asks Barty Bulldog.
"A fire?"

"Ricky Raccoon?!
Caught you!" cries Barty.
"I'm taking you in!"

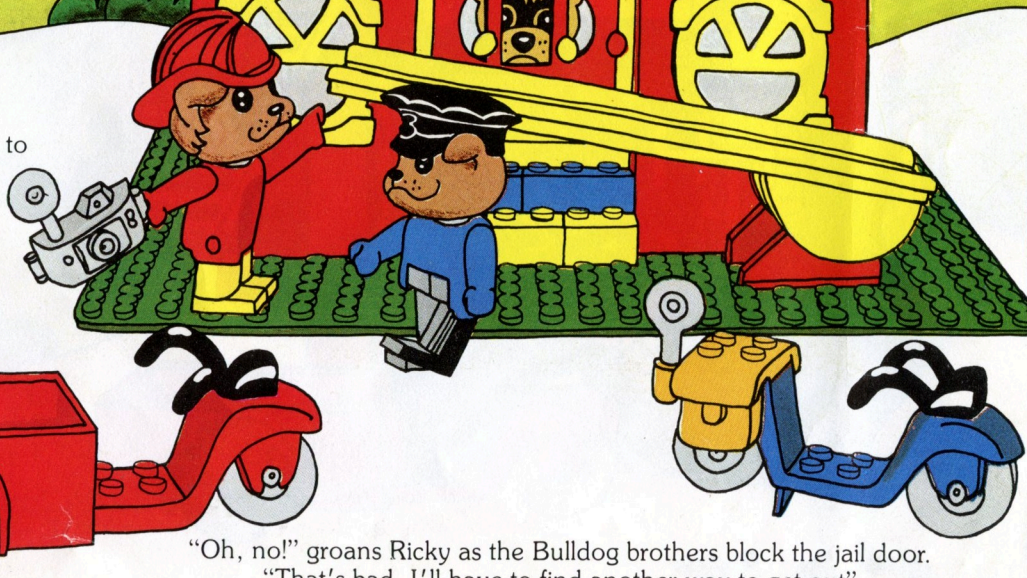

"Take over, Bertie," says Barty.
"Lock him up tight!"

"Thanks for helping me,"
says his brother.
"This time we must be sure
that the door is locked!"

"I have an idea,"
says Barty.
"Let's use the ladder to
bar the door as well!"
And so they did.

"Oh, no!" groans Ricky as the Bulldog brothers block the jail door.
"That's bad. I'll have to find another way to get out!"
